

A Message from the Principal

I am delighted to be the headteacher of St. Kizito Catholic Primary in Chilomoni. It is a truly wonderful opportunity to be able to open and lead a brand-new school in our lovely city of Blantyre. When I was ordained way back in 1998, I had no idea that Our Father would have such an exciting challenge in store for me. I am really looking forward to working with an outstanding team of highly motivated & dedicated teachers. I am also eager to oversee the delivery of an inspiring curriculum to all of our pupils. Before principal of Saint Kizito Catholic Primary, I was headteacher at James Chiona Catholic High School in Limbe. I arrive here with high expectations of behaviour, diligent study and attention to detail. At the same time, I will develop an atmosphere of joy and well being across the whole school.

I am honoured to be your new Principal.

Fr. Felix Nanyallo.

Saint Kizito Catholic Primary School Chilomoni

Opening to
Standard 1, 2, 3 & 4
January 2022

Saint Kizito Catholic Primary School

As a Catholic school, we will embrace all the traditions of the Catholic Church and pupils will be expected to participate in all activities - religious and otherwise. Non-Catholics are most welcome to apply to the school. By creating a teaching and learning environment founded on love, care and respect; we aim to ensure that all pupils will feel safe and enjoy being at our school to learn.

This brand new school offers places to primary aged children. In January 2022, the school will be opened with a limited number of places for pupils entering Standards 1, 2, 3 & 4. In the following years, the school will grow to accommodate all of the primary years.

Our team of expert dedicated teachers will deliver the primary curriculum to classes of just 30 pupils. We aim to provide learning through open ended play, through activities and through practical investigations. As the children progress, their education will naturally become more writing intensive. Emphasis will always be given to reading, writing and numeracy skills at all stages of their primary education.

School Ethos

Our motto is "Live and Learn with Mary and Jesus". With love of God and respect for all things, we hope that pupils leaving Saint Kizito Catholic Primary School will continue their education and become exemplary role models for our country.

Special Educational Needs

Saint Kizito Catholic Primary School aims to be inclusive of all pupils, including pupils with special educational needs. For example the school has wheel chair access to all rooms. If your child has special educational needs, it may be possible for them to attend our school. Please arrange a meeting with the principal by calling or writing to the school so that we can evaluate the specific needs of your child.

Applying to Saint Kizito Primary School.

If your child is due to enter Standard 1, 2, 3 or 4 in January 2022, you may apply for a place by completing the application form available from the website or from the school office.
